

VILLA MARIA
NEW ZEALAND

EarthGarden

HAWKES BAY, ORGANIC

Merlot Cabernet Sauvignon 2020

Tasting Note

Deep purple coloured hues lead to a perfumed nose of dark fruits, cocoa, sweet vanilla and clove spices. The full bodied palate is soft and generous with ripe fruit, silky tannins and a smooth finish.

Serving Suggestions

Merlot-Cabernet Sauvignon blends are particularly good when paired with robust, full flavoured dishes both with red meat and without. Drink now or hold for up to 5-8 years when the wine will develop further complexity.

Viticulture

Our key focus is to be environmentally responsible and to operate using sustainable practices in order to protect the land for future generations. Villa Maria has farmed organically since 2002 gaining Biogro certification in 2009. Our Organic vineyards are vibrant gardens alive with wildflowers and full of life. The Soler Vineyard is planted on free draining gravel soils well suited to applying organic farming principles.

Season & Harvest

The Hawkes Bay 2020 vintage followed an incredible summer, reds in particular enjoyed superb conditions for ripening. Upon crushing the grapes were inoculated with Bio-grow approved yeast. Post fermentation the wine was pressed to oak barriques, 20% new, for 18 months maturation.
