Cellar Selection

HAWKES BAY

Chardonnay 2020

Winemaker's Comment

Classically Hawkes Bay in style, this Chardonnay reveals a fragrant nose of grilled peach and nectarine stone fruit, with complexing cashew characters from subtle French oak. A silken textured mouthfeel unfolds with layers of fruit, delicate oak spice and subtle mealy flavours topped with wonderful acidity.

Serving Suggestions

A classic match with most white meats, rich seafood dishes, cheese and salads. Also highly enjoyable on its own.

Season & Viticulture

The 2020 Hawkes Bay vintage was exceptionally warm, dry and settled, allowing the vast majority of fruit to be harvested across the region with ripe flavours and in pristine condition.

Winemaking

Fruit from several prestigious Chardonnay vineyards throughout Hawkes Bay feature in this wine. Once harvested and pressed the resulting juice was fermented in a mixture of oak barriques (17% new) with a combination of inoculated and wild yeast. Nine months maturation on full yeast lees followed in barrel prior to a further four months in tank prior to bottling.

Technical Details

ALCOHOL: 14.0%

PH: 3.34

TOTAL ACIDITY: 5.8g/L

RESIDUAL SUGAR: 1.9g/L
