Winemakers Comment

This delicious wine shows perfumed and classic varietal aromas of lychee, honey, rose petal and ginger spice. The palate reveals similar flavours delivered with lovely richness and seamless texture, leading to an off-dry finish.

Serving Suggestions

This wine complements many food styles including white meats and salads, cheese boards, Asian and Indian cuisine.

Vineyard & Winemaking

The 2019 vintage was warm, dry and early across the country. This facilitated excellent ripening in our vineyards and Gewürztraminer was harvested in excellent condition with exciting flavours. This wine consists of several vineyards blended from Gisborne, Waipara, Hawkes Bay and Auckland, each contributing unique aroma and flavour characteristics.
