## Lightly Sparkling Rosé

NEW ZEALAND 2019

### Winemakers Comment

Fresh and bright aromas of red berries and lifted florals on the nose with a vibrant lingering mouthfeel. The small delicate bubbles of this frizzante style wine enhance the fruit flavours.

### Serving Suggestions

A delightful apéritif wine and perfect with antipasto.

### Vineyard & Winemaking

The 2019 vintage was warm and fruit was harvested with excellent flavour and balance. Fermented cool in stainless steel this wine was gently infused with a fine bead of bubbles before bottling.
